Ian Fleming

Octopussy and The Living Daylights is the fourteenth and final James Bond book written by Ian Fleming *(pictured)*. The book is a collection of short stories, published in the United Kingdom by Jonathan Cape on 23 June 1966, after Fleming's death in August 1964. The book originally contained two stories, "Octopussy" and "The Living Daylights"; later editions also included "The Property of a Lady" and subsequently also "007 in New York". The stories first appeared in different publications. Many elements from the stories are taken from Fleming's own interests and experiences, including climbing in Kitzbühel in Austria, wartime commando deeds, and the sea life of Jamaica. He used the names of friends and acquaintances for characters in the stories. Other elements from the stories have been used in the Bond films made by Eon Productions, including the background for the titular character in the film *Octopussy*. ***(This article** is part of a featured topic: **Ian Fleming's James Bond novels and short stories**.)*

N.UCHRAL: The 34th Prime Minister of Mongolia, Gombozhavin Zandanshatar, has valued the people and the fundamental interests of the country more than his position, and has resolved obstacles and opened up avenues.

Your actions will remain a model of ethics and a high point in Mongolian politics.

I wish you great success in your future endeavors for the state.

Isang tsuper ng jeepney ang nakaranas ng seizure habang nakapila para sa P5,000 ayuda na ipinamamahagi ng Department of Social Welfare and Development (DSWD) sa Quezon City.

Isang responder ang nagsagawa rin ng CPR sa tsuper bago siya dinala sa Quezon City General Hospital.

'I KNOW THE GREATEST GIFT I CAN GIVE IS TO BE STRONG LIKE YOU AND STRONG FOR YOU'... more

veronicaduterte happy birthday, papa*dada. papa to us 4. dada to mira and... hero to us all. i have encapsulated this moment in my mind— you forever strong. me, forever 12— just like what you say. up to this day... am right in front of you, like a mirror resembling in your character, bravery, grit, volition—but not even half your heart... am just fine being in your shadow because i know no one can replace your heart and i don't ever want anyone to. 1 of 1— i always proudly say.

with love. i used to think outside the box, proclaiming all the gray areas and dismissing its reduction to black and white— but now i understand. loving you to the point of truly knowing you reveals that you're a difficult person. but it's either i love you or i don't... sacrifice for you or i don't. i choose you or i don't. i fight with you or i don't... it's always all or nothing. only now have i understood. now that... im turning 22 and have put you first, through it all and above all.

my 21st birthday. i have spent alone. to spend with you. my 2025 christmas. i have spent alone. to spend with you. now about to reach my 22nd. with the same fire that burns in the bluest of blue, just like yours.

now on your birthday... cannot be with you. in order to keep my promise to you. i cannot be with you. because of my promise to choose my head over heart and to never let emotions cloud my judgment.

happy birthday to my mirror. despite everything, i have grown into my deepest pride comes from when you say that i love you "too much"... because what's done in love is never a waste... carry not just a piece, but a portal to you— wherever i go... know the greatest gift i can give, is to be strong like you and strong for you.

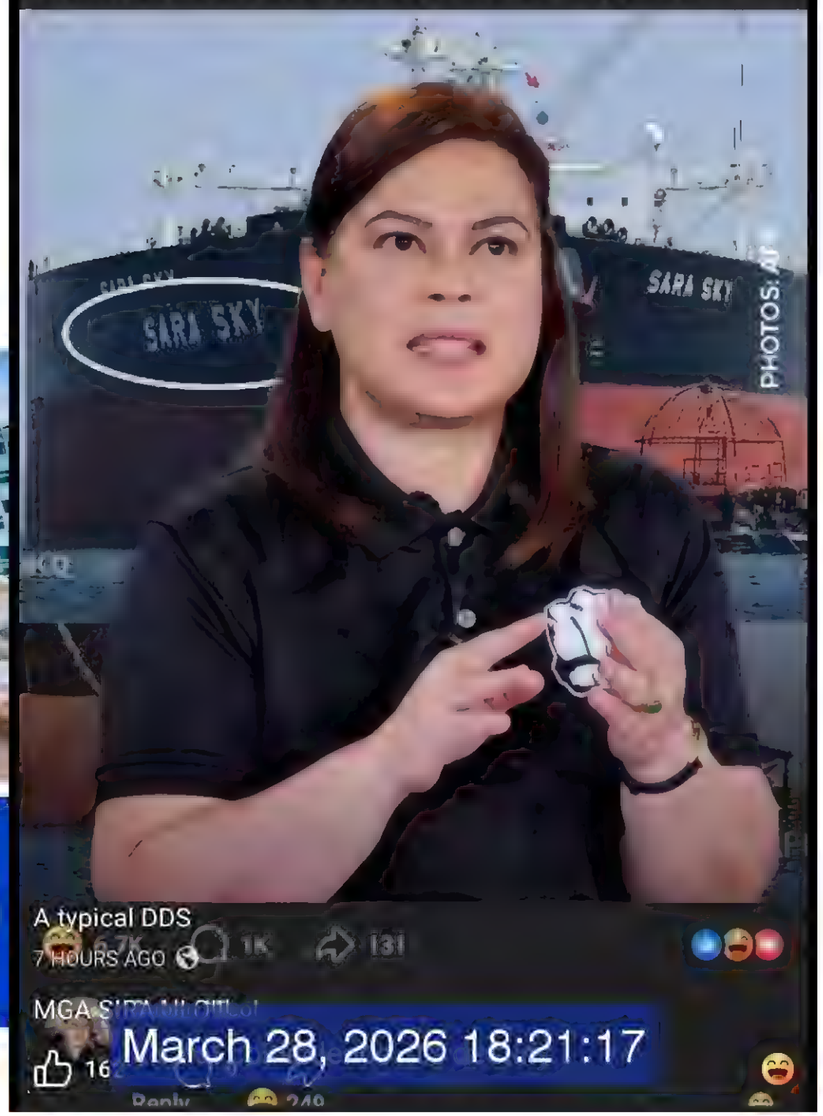
"SARA" IS OUR HOPE

Naniniwala si Atty. Harry Roque na si Vice President Sara Duterte at ang Sierra Leone-flagged tanker na Sara Sky, na naghatid ng humigit-kumulang 700,000 bariles ng krudo mula sa ESPO pipeline ng Russia, ay ang parehong pag-asa ng Pilipinas.

Sa kanyang Facebook post, mababasa ang caption: "Sara the person and Sara the oil tanker carrying oil from Russia are both our hope in the Philippines!"



Russian Oil Tanker Misinformation Debun...
Fast

Analysis

Ang impormasyon sa screenshot na iyong ipinakita ay **hindi totoong may kinalaman ang mga Duterte** sa pagpapadala ng tanker na iyan. Bagama't totoo ang pagdating ng barkong *Sara Sky* sa Pilipinas, ang pag-uugnay nito kay Vice President Sara Duterte ay isang halimbawa ng **misinformation** o maling interpretasyon na kumakalat sa social media.

Narito ang mahahalagang detalye base sa mga ulat ngayong Marso 2026:

1. Ano ang Sara Sky?

Ang **Sara Sky** ay isang oil tanker na rehistrado sa Sierra Leone. Dumating ito sa Limay, Bataan nitong Marso 23–26, 2026, lulan ang mahigit **700,000 bariles ng Russian crude oil** (ESPO blend).

2. Sino ang nag-utos ng kargamento?

Ayon sa mga shipping documents at ulat mula sa AFP (Agence France-Presse) at mga lokal na news outlets, ang kargamento ay naka-consign sa **Petron Corporation**, ang tanging oil refinery sa Pilipinas na pag-aari ni Ramon Ang. Hindi ito proyekto o personal na padala ng mga Duterte.

Druski this is sick. You fully dressed up as me, copied my look, my voice, my mannerisms, and turned me into a joke for millions of people. But let me guess, when it's done to me it's suddenly 'comedy.' If I did anything even remotely comparable, y'all would be trying to ruin my life. From today's featured article

The Goldfinch is a painting of a chained goldfinch by Carel Fabritius, a Dutch Golden Age artist. Signed and dated 1654, it is now in the collection of the Mauritshuis in The Hague, Netherlands. The work is a *trompe-l'œil* oil painting on panel measuring 33.5 by 22.8 centimetres (13.2 by 9.0 in) that was once part of a larger structure, perhaps a window jamb or a protective cover. A common and colourful bird with a pleasant song, the goldfinch was used in Italian Renaissance painting as a symbol of Christian redemption and the Passion of Jesus. *The Goldfinch* is unusual for Dutch Golden Age paintings in the simplicity of its composition and use of illusionary techniques. After Fabritius was killed in the gunpowder explosion that destroyed much of the city of Delft in 1654, the painting was lost for more than two centuries before its rediscovery in Brussels. It plays a central role in the Pulitzer Prize–winning novel *The Goldfinch* by Donna Tartt, and also in its film adaptation.

The Philippines first connected to the Internet with a 64kbps bandwidth at exactly 1:15 a.m. on March 29, 1994.

The historic moment happened when Filipino Benjie Tan, who then worked at Computer Network Systems Corp. in Makati, plugged the router Cisco 7000 through PLDT and connected with US-based Internet provider Sprint Communications.

If Duterte was still the President during this crisis, he would have said this:
"We are in the state of emergency. Subukan niyong magtaas ng presyo ng langis at ipasasara ko kayo at ako na mismo ang bibili ng langis at dalhin dito sa Pilipinas."

This is racism, plain and simple. If a white person did blackface, every single person defending this would be screaming for their career to end by tonight. But because it's Druski doing whiteface, dressing up as me, copying my features, my makeup, my mannerisms, and turning me into a full costume, suddenly it's 'just comedy'? No. He took it way too far, and the people glorifying it are exposing their own hypocrisy.

WATCH: Iloilo Vice Governor Nathalie Ann Debuque firmly dismissed speculation that she is preparing a gubernatorial bid in the 2028 elections.
"Categorically, no," she said in an interview on Tuesday, March 10.
Debuque explained that any effort to work harder should not be interpreted as early political positioning for 2028.
According to her, she is focused on fulfilling the mandate given to her by voters in the 2025 elections.
She stressed that if she appears to be exerting more effort in her duties, it is her way of repaying the trust placed in her when she was given the opportunity to serve as vice governor.

This is our God: Jesus, King of Peace, who rejects war, whom no one can use to justify war.
(Jesus) does not listen to the prayers of those who wage war, but rejects them, saying: "Even though you make many prayers, I will not listen: your hands are full of blood." (Jesus) did not arm himself, or defend himself, or fight any war. He revealed the gentle face of God, who always rejects violence. Rather than saving himself, he allowed himself to be nailed to the cross.

Giulio Cercato · Imagination
You already have a voice.
You already have influence.
Right where you are.
The question is:
How will you use it?
Your voice is more than a tool for self-expression. It's a reflection of your values, it's a bridge to connection, and if used well—a force for impact.
Be clear in what it is that you stand for.
Be consistent in how you show up.
And be intentional with how you use what you've been given.
The voices that change lives are rooted in truth, carried with purpose and used with intention.

"JESUS" ARRIVES IN JERUSALEM

Actor Jonathan Roumie, who plays Jesus, gave a peek into the shoot of the final season of "The Chosen" on Palm Sunday.

In the photos, Roumie can be seen riding a donkey, akin to the Biblical narrative of Jesus entering Jerusalem before he is ordered crucified.

"No matter what people say, riding a donkey is NOT like riding a bike," he wrote.

Kenneth George was working for the New York City Highway Department when he responded to Ground Zero on 9/11. As a result of working month after month on the pile, he now suffers from RAD, GERD, PTSD, heart conditions, skin rashes, and must take countless medications and oxygen.

"So this whole 9/11...Sometime I wonder what was better – to be in the buildings and perish quick, or sit and suffer and take all this medication and just wait to die. Because that's the way my life is going. And I'm only 47 years old. And I'm on all this kind of medication. My whole life is just turned upside down. I know I got one foot in the grave already. That's a definite."

Binigyang-diin din ng bise ang kalagayan ng ating mga kababayan sa ibang bansa, lalo na ang mga OFW sa Middle East na nahaharap sa hamon ng kaguluhan.

I agree with Atty. Claire Castro.

Lahat may bias—pero problema na kapag pumapasok ito sa trabaho ng journalist.

Napapansin ko kay Karen Davila:
Kapag BBM, Romualdez, o Sandro—hardball, aggressive.
Pero kapag si Cong. Toby Tiangco—parang laging soft.

Tanong lang:
Bakit hindi pareho ang level ng scrutiny?

At isa pa—
dahil ba mas controversial si Cong. Toby, mas "engaging" siya i-interview? Mas may media mileage kaya mas pinapadaloy na lang ang narrative?

Hindi issue kung tough o soft—ang issue ay consistency.

Kapag pili ang tapang ng mamamahayag, hindi na ito journalism—
selective framing na yan.

Nagbigay ng reaksiyon si Palace Press Officer Atty. Claire Castro sa pahayag ni Sen. Imee Marcos kaugnay ng paghingi nito ng tawad sa kaniyang ama, dating Pangulong Ferdinand Marcos Sr., dahil hindi umano niya nabantayan nang maayos si Pangulong Ferdinand "Bongbong" Marcos Jr.

"Asahan po natin ang Pangulo, hindi po siya naninira ng kaniyang kapatid," sabi ni Castro.

Throwing it back to 2015! It's always a trip when old photos from KrisTV episode resurface, especially this one of Lella and Bimby. It feels like a lifetime ago, yet it's a perfect reminder of how far they've come since these early chapters. Whether you're here for the nostalgia or just seeing this duo for the first time, there's no denying the history in this frame.

LOST MEDIA: ABS-CBN 'Good Friday' 2002 emergency broadcast

Bagama't maraming nakakatanda sa pangyayaring ito, nananatiling 'lost media' ang biglaang broadcast ng ABS-CBN upang iulat ang pagpanaw ng matinee idol na si Rico Yan noong Biyernes Santo ng taong 2002.

Ang bidyong ito ay halaw sa mga kwento ng netizens na nakasaksi sa nakitang test card bago ang nakatakdang noo'y ABS-CBN News Advisory na mag-uulat sa pagkamatay ng aktor.

At 71, country legend Reba McEntire is proving that your "happily ever after" can happen at any age. After two previous marriages (to Charlie Battles and Narvel Blackstock) and 50 years in the spotlight, Reba says she's finally found her perfect match in fiancé Rex Linn.

"I'm happier now than I've ever been," Reba shares. "God saved the best for last."

Despite a 2026 schedule so packed she only has 13 free days, she's in no rush to wed. For Reba, this third act is all about enjoying the moment—proving that love is just as sweet at 71 as it was at 17.

‼️Not today... and not for eight more years ‼️
Prince Philip was reportedly diagnosed with inoperable cancer in 2013 — and instead of folding, he carried on for years like it was a minor inconvenience.

According to Hugo Vickers, he quietly lived with it until 2021. Eight years. Let that sink in.

And the ending... very on brand.

Gave the nurses the slip.
Grabbed his Zimmer frame.
Poured himself a beer.
Sat down like a man completely unbothered.

The next morning... he simply decided he was done.

No fuss. No drama. Just Prince Philip being Prince Philip.

Honestly... if there was ever a royal way to go, that might just be it.

APOLOGY NI SEN. IMEE SA MGA DUTERTE

Humingi ng tawad si Sen. Imee Marcos sa pamilya Duterte — partikular kina Vice Pres. Sara Duterte at dating pangulong Rodrigo Duterte — dahil sa aniya'y pagpapahamak sa kanila.

Kasunod ito ng paghahain ng impeachment complaint laban sa bise, at pagdala sa dating pangulo sa International Criminal Court.

"Talagang naiisip ko na guilting-guilty ako. Sana nananahimik sa Davao 'yun (Vice Pres. Duterte). Mayor siya, walang kalaban-laban, walang hassle, walang gulo," sabi ng senadora.

photo: Imee Marcos, PNA
Hihingi rin siguro ako ng tawad dapat sa mga Duterte, higit sa lahat, sa VP natin, kay Inday Sara. Pinahamak ko siya eh... Si Presidente, si Tatay Digong, nandito sana sa piling natin. Ang dami kong pagsisisi.

'WE WILL HELP'

Sumagot si Pres. Bongbong Marcos sa sulat ng isang estudyante na nag-walk out sa kaniyang graduation para maghain ng petisyon laban sa umano'y pang-aabuso ng kanilang barangay kagawad sa Tinambac, Camarines Sur.

"How will we read if our own government people cut our electrical wire so we have no lights? How will we read if our kagawad cut our balon wires so we have no water? [...] Can you please help us?" bahagi ng sulat ng estudyante.

Sa kaniyang komento, sinabi ng Pangulo na magpapadala siya ng mga pulis para maprotektahan ang estudyante at kaniyang kapatid.

"You are a very brave, intelligent and very kind girl and I will make sure to help you and your sisters in any way you need," mensahe ni Pres. Marcos Jr.

'DINAMAY KITA PERO HINDI KO NA NAMAN AKALAIN MAGKAKAGANITO'

Senator Imee Marcos has apologized to Vice President Sara Duterte for supposedly causing her misfortune by encouraging her to run during the 2022 elections and allowing her to be subjected to "brutal" national politics.

In a video posted Tuesday, Marcos said she feels guilty for what happened to the Vice President—who is yet again facing another impeachment proceeding—and to her family, particularly former president Rodrigo Duterte, who was arrested and transferred to The Hague, Netherlands for charges of crimes against humanity.

AJUY DECLARES STATE OF CALAMITY

JUST IN: The local government of Ajuy has been placed under a state of calamity due to an ongoing energy emergency that has disrupted essential services, Ajuy Mayor Loida Espinosa confirmed.

The declaration was formalized through Sangguniang Bayan Resolution No. 2026-088.

At least three barangays — Tagubanhan, Punta Buri, and Nasidman — have also separately declared a state of calamity as the impact of the energy shortage continues to worsen. | Rjay Zuriaga Castor

Naglabas ng pahayag si Lovely Granada kaugnay sa umano'y matagal na paninira at pagkalat ng fake news laban kay Leni Robredo. Ayon sa kanya, naging target umano si Robredo ng matinding disinformation dahil itinuturing na banta sa pamilya nina Rodrigo Duterte.

Giit ni Granada, sa kabila ng mga bansag at panlalait, napatunayan ni Robredo ang kanyang kakayahan at integridad mula sa pagkilala sa kanya ng international institutions gaya ng Harvard University, hanggang sa tiwala ng iba't ibang organisasyon na sa kanyang tanggapan dumaan ang mga tulong tuwing may sakuna.

Binigyang-diin din niya na ang pag-asa ng bansa ay hindi dapat nakaasa sa iisang tao lamang. Para kay Granada, nagsisimula ang tunay na pagbabago sa mamamayan, sa pagiging mapanuri, sa paninindigan, at sa pagpili ng mga lider na tunay na karapat-dapat para sa Pilipinas.

Lovely Granada

Pinalabas na 'lutang' at 'b0bo'. Biktima ng sangkaterrang fake news. She was a threat to the Dutertes kaya sinisiraan ng husto
But look, SHE'S THE REAL DEAL.
Hindi yan iimbitahan sa Harvard and other international bodies to speak kung walang tunay na substance
Tuwing may bagyo o sakuna, laging opisina niya ang bagsakan ng mga donations lalo from international organisations dahil panatag sila na talagang makakarating ang tulong sa tao.
We do not anchor our hope on just one person
TAYO ANG SIMULA NG PAG ASA
Tayo at ang ating pagpili ng karapat-dapat para sa Pilipinas.

Inutusang babuyin si Mayor Leni!
CIRCLE OF STARS
Dating DDS vlogger, itinuro si Digong bilang mastermind sa pagyurak sa pangalan ni Mayor Leni Robredo.
"Wala akong maalala na may kaso si Leni. Ang naaalala ko dito, yung utos sa atin noong araw, noong si dating Pangulong Duterte, na wala tayong gagawin kung hindi sirain, wasakin, at ipahiya si Leni Robredo. Yan ang naaalala ko! Yan ang utos ninyo, ng mga boss natin dati, noong panahon ni dating Pangulong Duterte. At hindi niyo maitatanggi yan, noong ako'y pinapupunta ninyo sa Naga City, sa Avenue Plaza Hotel! Ano ang agenda? Bakit niyo ako pinapalutang doon? Para magkuha ng tao na mag-i-interview para wasakin at padumihin at sirain ang pangalan ni dating Vice President Leni Robredo. Yan ang pinagagawa ninyo, kasi na-experience ko yan!"
